<p>The carrier named herein, by signing this bill of lading, acknowledges receipt from ExxonMobil Oil Corporation, the property described herein, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated herein, which said carrier (the word carrier being understood throughout this bill of lading as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property, over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the contract.</p> <p>This bill of lading does not in and of itself constitute a contract of carriage. If a freight shipment, this bill of lading is subject to the contract in effect between carrier and ExxonMobil's third party logistics provider. If a freight collect shipment, this bill of lading is a receipt of goods only and a carrier shall have no charges for such freight collect shipments.</p> <p>If built specs: The carrier certifies that the cargo tank supplied for this shipment is a proper container for the transportation of this commodity as described by the shipper.</p> <p>The filter boxes used for this shipment conform to the specifications set forth in the box maker's certificate, however, and all other requirements of the Uniform and National Motor Freight Classifications.</p>
